HONEY

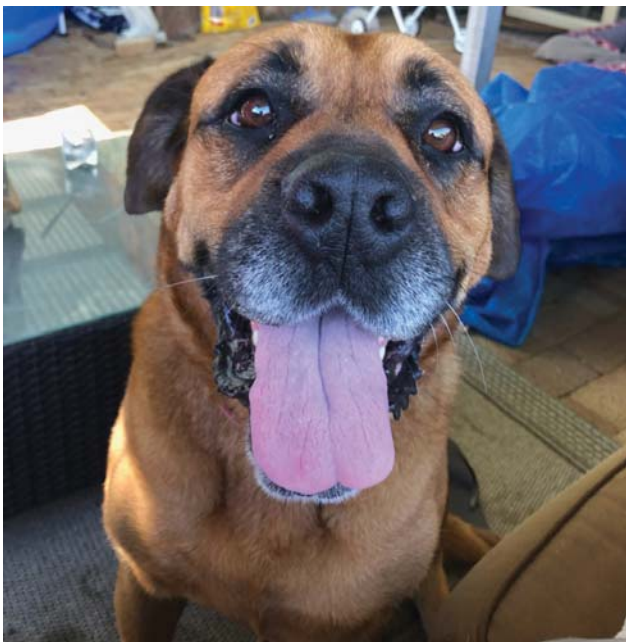

Thank you so much for today Dr Ann. Although we are grieving, we all feel a sense of peace and relief that Honey is at peace. Thank you for your warmth and kindness. You are an amazing person xx

Honey was at home with family in her favourite place, eating her favourite vanilla ice cream when she peacefully fell asleep.

Thank you Sarina and family for being the best human family ever for Honey.

JAZZY

Thank you soooo much for our beautiful goodbye to Jazzy and for making it so beautiful... xx

Wouldn't have had it any other way!

Jazzy fell asleep in her favourite place with her family while she was eating her favourite burger.

Thank you Kerry, Isla and family for loving Jazzy so much and for being you !
